

*Looking Ahead to a  
Stronger, Safer 2026*

*As we approach the 2025 holiday season, we find ourselves reflecting on the incredible resilience of the people we serve and the unwavering generosity of those who make our work possible. Each year, thousands of victims of domestic violence, sexual assault, child abuse, human trafficking and those in crisis across the Lower Eastern Shore find the strength to take their first steps toward safety and healing. Life Crisis Center is often one of the first safe places they experience after unimaginable trauma. Each year, you help open the door. We have reached the limit of what our current space can hold, but the need for services has not stopped growing, that is why Life Crisis Center is expanding. From generous donors and grant funding from the State of Maryland, we broke ground in July 2025 and construction is well underway.*

*With your support this holiday season, 2026 can be the year we open the doors to a fully furnished and functional, 4,636 square foot expansion; a place where thousands of individuals will find safety, dignity, and hope.*

# A YEAR OF GROWTH, A COMMUNITY THAT STOOD WITH US

*Whether it's \$10 or \$10,000,  
every dollar protects and empowers a survivor.*

*All of our services are completely free for victims and we never charge fees or bill insurance.*

*Because of donors like you, in 2025:*

- Over 56,000 calls to our local hotline, 211 Maryland, and the 988 Suicide and Crisis Lifeline reached our trained crisis specialists
- 405 Survivors found safety in our legal support and advocacy they received
- 2,067 Individuals found their voice and emotional healing through specialized counseling
- Families rebuilt trust through 308 hours of supervised visitation for 43 children
- 84 children were served through our CASA program with over 3500 hours of advocacy provided by 53 volunteers
- 154 Human trafficking survivors and families found a pathway to freedom with our case managers helping them navigate solutions
- 4,240 Bed nights were provided to individuals needing to sleep free of the abuse

*"The future home of healing for thousands of survivors each year."*

# WE BUILT THE WALLS. NOW WE NEED YOUR HELP TO FILL THEM WITH SAFETY AND HEALING.

# 49 YEARS OF HOPE, AND THE FUTURE YOU MAKE POSSIBLE

*In 2026, the Life Crisis Center marks 50 years of standing beside survivors, families, and children who had nowhere else to turn. Half a century of answered calls. Half a century of doors opened in the darkest moments. Half a century of rebuilding lives, one brave step at a time. None of those steps were taken alone. Every moment of safety, every breath of relief, every chance at healing, began with someone like you.*

*Whether or not you have ever needed our services, your support carries extraordinary power. When you choose Life Crisis Center as your charity of choice, you choose to:*

- *Protect a child whose innocence was stolen.*
- *Offer a mother and her children a safe night away from violence.*
- *Give a survivor the courage to walk into a courtroom and reclaim their voice.*
- *Answer a late-night call from someone who feels utterly alone.*
- *Ensure that no one in our community is left to navigate trauma without support.*

*You make sure that hope is not a privilege but a guarantee.*

*As we enter our 50th year, your generosity becomes part of a legacy that has saved thousands of lives and will save thousands more. You help ensure that the next person who gathers the courage to reach out will find us here ready, compassionate, and unwavering.*

*Thank you for standing with us. Thank you for believing that every person deserves safety, dignity, and a path forward. Thank you for being the reason our community can look to 2026 and the next 50 years with strength and hope.*

*With deep gratitude,
